

GLOBAL CORNELL

CULTURE HOST

We usually have 12 - 14 cultures represented at Global Cornell, and they are set up in classrooms. In the past, families have shared their culture's artifacts, photographs, language, art, clothing, music, dance, and food to sample. We need as much participation as possible to make this event a success. Consider hosting with a friend!

CHAIR

The chair person is the event coordinator. This person will meet with teachers, culture hosts, volunteers, etc to plan the logistics of this event. This year a PTO board member and a parent volunteer are sharing the position. The chair person would work with the board of the PTO to make this event happen!

CLEAN UP

Because teachers allow us to use their classrooms for this event, it's very important that we leave no trace behind. We need a good number of volunteers to assist culture hosts in each room to get it ready for learning the next day.

SETUP

Our setup crew is responsible for arranging classrooms in a suitable way for culture hosts as well as arranging the gym, cafeteria (if needed), and hallway for good traffic flow.

GO-FER

Our most versatile volunteers are always needed to run around the building helping out hosts and doing the little tasks that make our events successful! Whether you're getting things from the fridge or grabbing an extension cord, you're an invaluable part of the team!

GUIDE

Guides are helpers who can answer questions about the event. Where is the Mexican culture room? When does the event end? What time does the performance start? You will help families plan their evening.
