

# Teacher Appreciation Week - May 6-10

You "red" our minds: thanks for all you do!

M

The PTO will provide a huge tub of snacks for teachers and staff to grab at their leisure throughout the day and week! Parents can help show appreciation by bringing small treats or snacks to their students' teachers, aides, lunch helpers, etc!

We'd be so "blue" without you!

PTO has created a seed starting kit for our teachers and staff because they truly help our students grow. Parents, you can help by having your student bring a flower to school - it can be created from pipe cleaners or paper, picked from the garden or wild flower patch, or purchased - feel free to get creative!

T

"Orange" you glad you work here? We are!

W

Sweet baked treats for all available in the lounge!

Parents - scan or click here to sign up to bring baked goods (to school by Tuesday afternoon, please!)

We all a "green" you're the best!

Teachers can always use stationary and pens! PTO is giving some post-its and pens. Parents, today is the day to bring in your teacher's favorite pens, thank you cards, papers, etc - or bring in a student drawing to really make their day!

Th

Mellow "Yellow" - relax, it's almost the weekend!

F

To properly thank all the staff and teachers at Cornell, PTO is hand-writing notes to everyone. Parents, you can join by writing a nice note, purchasing gift cards, or having your student download this template and write a note themselves.
